	Short course: out to 2KH, leave to port and back, 3 miles																					
	Middle course: out to 2KH, leave to port and back twice, 6 miles																					
	Long course: out to 2KH, leave to port, MG leave to port, 2KH leave to starboard and back, 8 miles																					
	Wednesday Night Race series start times are calculated using PHRF time on distance handicaps and multiplying by course length. Please review your PHRF rating and start times and contact the Fleet Captain if there are any discrepancies or questions. The Race Committee will announce the course length on VHF channel 68 prior to the start of each race based on existing wind conditions. Boats that DNF or DNS will be scored the fleet (that evening) +1 for scoring purposes.																					
	Each boat will get one throw away score. If a boat misses a race, that race will be the throw away.
